

Spotlight Your Business & Support Education

The Flagler Home & Lifestyle Show has been the most popular show in Flagler County for more than 39 years with 300 businesses participating and over 20,000 attendees. Flagler Technical College and FTC's Community Education programs are proud to collaborate on the 2026 Flagler Home & Lifestyle Show.

Exhibiting gives you an opportunity to network with hundreds of other vendors and support Flagler County education initiatives. It's all about supporting Education.

Your exhibit will spotlight your business and you will become an active community partner in supporting education. Attached are general exhibitor applications and information on the three levels of sponsorship, Gold, Silver and Bronze each with their own associated benefits.
